Dear Mineral King Task Force Member:

Subject: Barboni cabin at Mineral King

Mrs. Barboni's attorney has been notified by the Forest Service that a hearing on her appeal to save her cabin at Mineral King will be held Tuesday, April 22 at 1:00 PM at The Customs House
555 Battery Street, Room 112
San Francisco, Ca.

If you have not gotten your letters off, it is important to do so before this hearing.

1. Write Mr. John Leasure, Supervisor, Sequoia National Forest, c/o Houk & Houk, 1441 S. Mooney Blvd., Suite E, Visalia, Ca. 93277. Ask that the decision to revoke the special use permit for the Barboni cabin be rescinded and that the cabin remain where it is for the time being.
2. Write your congressman, House Office Building, Washington, D.C. 20515 asking that he send a letter to be included in the presentation.
3. Write Congressman John Krebs, House Office Building, Washington, D.C. 20515 asking that he attend the hearing or send a representative. He is Mrs. B's congressman.
4. Write Senators Alan Cranston and John Tunney, Senate Office Building, Washington, D.C. 20510 asking them to submit letters to be a part of the presentation.
5. Write Mr. E. Cardon Walker, President of Walt Disney Productions, 500 S. Buena Vista St., Burbank, Ca. 91505 requesting that the Disney organization reconsider tentative plans to close the old store/post office area at Mineral King to public parking. It is the only area in the valley where cars can park for longer than 7 days and the closure would work a hardship on anyone back-packing out of Mineral King for longer.

If you can possibly attend this hearing, do so. Perhaps a group of us can go up from southern California. I plan to go. If I can get a car load, so much the better. Contact me if you can go.
